

TU4.TIE: IEEE

TAB Ad Hoc Committee on Women and Underrepresented Groups

Session Chair: Linda Hayden

Session Type: Panel

Time: Tuesday, July 25, 16:20 - 18:00 Location: Room 200

The session provides an opportunity to craft a GRSS response to the IEEE - Technical Activities Board (TAB) Ad Hoc Committee on Women and Under-represented Groups' (WUG) request for recommendations and initiatives. It will also provide a forum to discuss the longer term diversity initiatives for GRSS.

Linda Bailey Hayden

Co-Chair GRSS Underrepresented People Committee
NSF Presidential Award for Excellence in Mathematics, Science and Engineering Mentoring
Chair of the GRSS Eastern North Carolina Section – R30171, GRS29

Melba Crawford

Professor of Engineering and Agriculture at Purdue University
Past GRSS President and current GRSS representative to IEEE

Reginald Blake

Director of the Center for Remote Sensing and Earth System Sciences, Department of Physics,
New York City College of Technology of the City University of New York

Ivan E. Villalon-Turrubiates

Professor and Researcher at the Western Technical Institute of Superior Studies (ITESO AC)
Founder of the GRSS Guadalajara Chapter (GRS29 - Mexico)

Mariko S. Burgin

NASA Jet Propulsion Laboratory (JPL)
GRSS representative to 2016 WIE International Leadership Conference
and current Vice-Chair of the Metropolitan Los Angeles GRSS Chapter

Shannon Brown

NASA Jet Propulsion Laboratory (JPL)
GRSS Membership Chair

Feel free to use the back of this paper to share your suggestions for crafting the GRSS response to IEEE-WUG recommendations
